

Homeless Outreach Program

Our goal for this program is to assist the homeless and to build them by encouraging them and teaching the gospel of Jesus Christ. We offer prayer to break the attacks of the enemy that are on their life so, they can experience freedom through the blood of Jesus Christ.

We help the homeless in 2 ways and we are going to expand our outreach in the near future. First, we have a gathering in the park where we setup tents and serve them a hot and complete meal with a beverage. We pass out new clothes, hygiene kits, community resource packets, toys for the kids if it's Christmas season, we have music or a speaker for entertainment and for encouragement. The homeless is very voice opinionated so, if they don't like the food or service, they will say so, and we get great responses for this event.

Second, we pass out **"blessings ordered by God"** which is a bag with a sandwich, an orange or apple, chips, a bottled water or vitamin water. The bag also has biblical resources in it to lead them to salvation, along with a hygiene kit and whatever additional items we see fit to add to the bag.
